

1985—the church tithes about \$100,000 a year to various local and national needs. Although these accomplishments are extraordinary, Monsignor's greatest achievements may lie in his daily work and prayers with the parish staff and parishioners, as well as implementing influential local programs over the years.

There is no doubt that Monsignor Sears will be greatly missed as the pastor of St. Joseph Parish. However, knowing his passion for the community and devoutness to charity, Monsignor will continue his service to God and will continue to impact the communities of Southwest Michigan.

HONORING CONTRIBUTIONS OF
WOMEN, SYMBOLIZED BY "ROSIE
THE RIVETER," WHO SERVED ON
THE HOMEFRONT DURING
WORLD WAR II

SPEECH OF

HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 2, 2004

Ms. McCOLLUM. Mr. Speaker, I rise today in support of H. Con. Res. 413 honoring the contributions of the more than 6 million American women, symbolized by "Rosie the Riveter," who served our country on the homefront during World War II and the changes to our society that came about because of them. I am extremely proud to join all 62 women Members of Congress as cosponsor on this legislation as well.

Today, we recognize the contributions to those who may not have faced enemy fire but were no less a part of our decisive victory in those dark times: the millions of Americans who across the Nation heeded a call to serve when their country needed them.

During World War II, this remarkable band of women picked up the rivet guns left on factory floors and shipyard docks by their departing husbands, boyfriends, sons and dads and those women started building the tanks, airplanes, and ships that America needed to win the war.

The legacy of Rosie the Riveter is the creation of opportunities to all Americans. For the first time in America, during World War II, women and minorities gained access to high-paying jobs in industry. Employee-sponsored health care and services such as child care for children of workers were developed during this time. I am proud to join my colleagues today in applauding the improvements in the workplace and our society during the Rosie the Riveter Era and in honoring these women for stepping forward when their country needed them.

TRIBUTE TO FRANCISCO
SALDIVAR

HON. SOLOMON P. ORTIZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 9, 2004

Mr. ORTIZ. Mr. Speaker, I rise today to pay tribute to a unique American patriot, Francisco Saldivar, a man who, after having spent over

40 years with the Brownsville Independent School District, has recently retired as principal of Yturria Elementary School.

Mr. Saldivar comes from an educator's background. His mother, a teacher from Mexico, helped make an early impression on his life-long desire to educate and give back to the community. To this end, Mr. Saldivar has served in a number of roles and duties within the school district, from teacher to administrator.

Mr. Saldivar spent over 12 years teaching fourth grade before becoming an assistant principal at Victoria Heights Elementary. Since then, he has also served as an assistant director of adult education as well as the principal of several elementary schools, most recently with Yturria.

With each new role he took on, Mr. Saldivar invariably displayed his selfless dedication to providing a well-rounded and worthwhile education. Indeed, as principal of Yturria Elementary, Mr. Saldivar still managed to take the time to help ease the transition of transfer students.

And after 6 years as principal of Yturria, Mr. Saldivar is finally retiring; and while he will certainly miss his old position, we will miss his commitment to our children's education even more.

There is no question that the education of our young people constitutes an important priority in our society. Education does more than simply impart knowledge; it prepares our children for the challenges they will meet in adulthood. Mr. Saldivar has worked with children for nearly half a century; he knows the problems they face, and has actively worked to alleviate them.

Our Nation is strengthened by dedication of educators like Mr. Saldivar in our school systems. The origins for our Nation's future will always lie within our youngest generations.

I ask my colleagues to join me in commending Principal Francisco Saldivar, for his indelible influence over the young minds in the Valley. His legacy is in the bright young minds he touched and shaped. We wish him the best of luck in his future endeavors.

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 9, 2004

Mr. SESSIONS. Mr. Speaker, I rise today to pay tribute to the father of Lake Highlands Education, Bill B. Passmore. I am proud to represent the Lake Highlands community in the 32nd Congressional District of Texas, and Mr. Passmore's commitment to education in the community has been long and distinguished. Mr. Passmore is being honored this Sunday afternoon, June 13, 2004 for his career achievements, and I congratulate him and his family on a lifetime of accomplishments.

After graduating from The University of Texas at Austin with a BBA degree in 1949, he taught for two years in Angleton High School before moving to Dallas. Mr. Passmore resumed his teaching career at Richardson High School in the fall of 1952. He taught business subjects for two years before being named the Business Manager and assistant to Superintendent J.J. Pearce for the 1954–55 school year.

Mr. Passmore was selected in 1955 as the principal to open the first school in the Lake Highlands area: Lake Highlands Elementary School. He was later named as the third principal to serve the school in 1976. Named principal of Richardson High School in 1956, he remained in that capacity for nine years.

When the Dallas County Community College District (DCCCD) opened El Centro College as its first campus, Passmore was hired as the first of eight counselors for the college. During six years at El Centro, he left the counseling department to serve as Dean of the Evening School and later as the Associate Dean of Instruction. When the Richland College opened in 1972, he moved to the new campus to serve as Association Dean of Instruction until 1976 when he returned to the RISD as principal of Lake Highlands Elementary School.

In 1979, Mr. Passmore was again asked to serve as principal of a new school in the Lake Highlands area: Merriman Park Elementary. He retired from Merriman Park Elementary in 1989, and since that time has worked ten years for the University of North Texas on a part-time basis as a University Supervisor of Student Teachers.

During his professional career, Mr. Passmore earned his Master's Degree from the University of North Texas and some 36 hours of post-graduate credit from the University of Texas at Austin. He was a member of the Richardson Kiwanis Club for 12 years and served for one year as its president. He was a staff member or an administrator during the opening of seven new campuses in Angleton, Richardson, and DCCCD. Mr. Passmore's personal commitment to education and the Lake Highland's community have been exceptional
